Chromatic Scale

The image displays a musical score for a chromatic scale in treble clef, 3/4 time. The score is written across three staves. The first staff begins with a treble clef and a 3/4 time signature, followed by a key signature of one sharp (F#). The melody consists of 14 measures, each containing a half note followed by a quarter note, moving chromatically upwards. The second staff continues the scale from the second line of the first staff, also with 14 measures. The third staff concludes the scale from the second line of the second staff, ending with a double bar line and a repeat sign.

*Play any portion of the chromatic scale you are comfortable with.
The printed scale is full range.
